

## Memorials

If you would like to have a memorial for someone included in the Garden, memorial plaques will be placed in the interior of the fencing. Each plaque will contain 12 names.

Bethany members may purchase a memorial for \$300/line on one of the plaques. The purchase price includes the cost of inscribing the name on the plaque.

Memorial benches may also be purchased to remember a loved one. Benches are made of granite to match the columbarium unit.

Each bench is \$500 and this price includes inclusion on a memorial plaque that will be located in the interior of the fencing.

Plaques will include the name of the person being remembered as well as the loved one purchasing the bench.

## About our Memorial Garden

---

Our Memorial Garden allows & affords our members and their families the chance to find the final resting place of their earthly remains .

This site is located in a beautiful & dignified location right here on the grounds of Bethany United Methodist Church. Just outside of Spell Chapel, on the Northeast side, friends and family are able to visit, pray, reflect and remember their loved ones.

This is being offered to be a blessing to our families in their time of need. We hope this will eliminate pressures & burdens on families looking for final resting places . Planning a funeral and memorial service will be so much simpler as it can all be arranged in one location.
